

**REMARKS**

Claims 1-3, 5-13, 16, 18-23 and 29-35 are pending in this application. By this Amendment, claims 1 and 30 are amended.

Applicant thanks Examiner Coe for courtesies extending during the August 23, 2005 personal interview. In the interview, Applicant's undersigned representative traversed the rejection substantially in accordance with the arguments presented in the August 8, 2005 Amendment After Final Rejection.

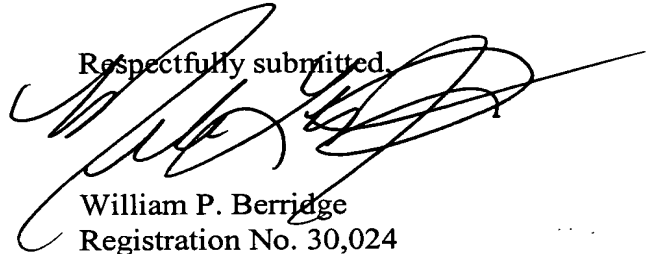

In addition, it was agreed in the interview that "an amendment changing 'where water' to 'if water' in claims 1 and 30 would overcome the claim objection. Thus, claims 1 and 30 are amended herein to change the term "where" to "if." Therefore, it is respectfully submitted that this claim objection should be withdrawn.

With regard to the other issues raised in the Final Rejection mailed February 7, 2005, it is respectfully submitted that these issues were fully addressed in the Amendment After Final Rejection filed August 8, 2005.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-3, 5-13, 16, 18-23 and 29-35 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
